

## Baltimore City Public School Administrators and Supervisors Association

# PRINCEPS

### President's Corner

Greetings Brothers and Sisters,  
I hope that you and your families are all doing well. As we are moving towards the Thanksgiving season, I want to let you all know how thankful I am to work alongside you, the most dedicated leaders across our entire state. What we do every day to make the lives of Baltimore City children better cannot be measured in mere data and surveys because we are reshaping our future.

We had an exciting Fall Conference where Governor-elect, Wes Moore, served as our keynote speaker. We also received information that can benefit each of our members. Though the retirement session was canceled, we are planning on hosting a special retirement planning meeting in the future. Continue to reap the benefits of Union membership. Download the Union Plus app and instantly save money on a variety of items or services. Make sure to check the AFSA website to find other ways you can save money as a Union member.

Make sure to take some time this month to enjoy quality time with friends and loved ones. We may not always hear it and there are some times we do not feel it, but please let me say, "Thank you" for all that you do.

### Political Action Committee

We are working to develop a strong Political Action Committee. As PSASA members, we are all part of the Maryland State and DC AFL-CIO as well as the Metropolitan Baltimore Council of the AFL-CIO. If you are interested in serving as a member of our PAC, then please email Dr. Rhonda Richetta. We will become a Union that is recognized by others as we build a strong political voice. The agenda that we follow must be the one that we create. We must be Union Strong to support our Brothers and Sisters.

### Vacation Cash-Out

As we are quickly approaching December, all members are eligible to cash out up to five vacation days. You have received an email from Zelda Johnson for each member to indicate their desire to participate in this added PSASA ONLY cash out. You must meet the deadline which has been set for November 28th to opt in. You will have to click the link on the email to complete the survey. Make sure to send a copy to yourself for record keeping purposes. There will be no extensions, so make sure to act right away. This is separate from sick leave conversion.

Check updated salary scale and MOU by visiting [mysasa.org/members](https://mysasa.org/members)

### Compensatory Time

There are times when supervisors may request that we work extra duties/hours during non-operational days (HS Choice Fair, etc). Make sure that they put it into writing and inform them that you are requesting to receive COMP time. We will once again look to revise this in the future, as it would be more beneficial to earn stipends for extra duties, especially weekend hours.

### Officers

- Rhonda Richetta, Vice President
- Donnae Bushrod, Secretary
- Valerie Stamper, Treasurer
- Craig Rivers, Public Relations
- Shionta Somerville, Parliamentarian
